imageCLASS® MF4570dw Laser Multifunction Printer

Black and White Wireless Laser Multifunction Printer

The imageCLASS MF4570dw is a compact, yet versatile, multifunction printer for homes or small offices with a wireless network.

- **Shared productivity: wireless networking.**
- **Duplex Versatility: printing, copying (1 to 2), and printing received faxes.**
- **Quick First Print: approximately 6 seconds.**
- **Efficient energy saving mode: approximately 3W of energy used.**
- **Large 5 line LCD and Single Cartridge System: easy to use and easy to maintain.**

Shared Networking

Your customers can share the MF4570dw, whether they are connected over a wireless or Ethernet network..The MF4570dn is compatible with wireless standards IEEE802.11b/g/n, and is easy to set up.[1]

Duplex Versatility

Show your customers how they can save paper by printing 2-sided documents. Two-sided output for printing, copying and printing received faxes saves file space and reduces paper consumption. Print a 2-sided demo sheet for your customer: just follow the easy instructions in the Sales Tip below.

High Performance

Why waste time? With Canon's Quick First Print technology, the first print will arrive in approximately 6 seconds. The MF4570dw can print or copy up to 26 ppm/cpm. The fast Super G3 fax includes over 100 convenient speed dials (4 one-touch and 100 coded), as well as a generous 256-page fax memory.[2]

Compact Design & Energy Efficiency

Help your customers free up their desk space with the MF4570dw compact design. Efficient 3W energy saving mode may help to save money on energy bills. On-demand SURF technology saves up to 75% of energy used by conventional roller-fixing print systems.

Improved Usability & Maintenance

Complete tasks easily with the large 5-line LCD. On screen animations assist your customers with tasks such as changing cartridges. The Canon Single Cartridge system combines toner & drum into a single unit – no messy toner changes.
